## THE LORD'S HIDDEN TREASURE

by A 2009 Alum

Often, we think of the Lord and all he has to offer for those who need salvation....but what about the ministers who are wounded from the battle?

Out of the deepness of the Lord is a place that is rarely visited. It is his heart, a precious heart that is filled with love that surpasses all understanding. I found this hidden treasure of the Lord at Marble Retreat...the Lord unveiled that depth of love in a place hidden from the world. A place where one could come out of darkness into God's marvelous light.

I came burdened, hurt, discouraged with no vision for tomorrow and no purpose for living. But, through the awesome sessions as each unfolded their life, I could see truth radiating into my life.... burdens being lifted, discouragement being shifted to encouragement. No longer did I have to prepare my affairs for death... but life.... Eternal life radiated into my whole existence.

This could not have been achieved unless a team of extremely loving servants of the Lord allowed themselves to be used for such a time as this. From the time we ventured into this journey of restoration, love met us through the secretary, encouraging us that help was here for us.

The arrival to the beautiful mountains and a beautiful house filled with rooms that made you feel at home let you know it was prepared by God. Our hosts welcomed us radiating the love of God which brought acceptance to our stay. They served meals richly to nourish our bodies. Truly, they made us feel and bring understanding back into our being that we are children of an Eternal King.

Precious and timely was the gift our marriage counselor displayed as she gracefully moved in compassion and love. Truly it was a blessing to be counseled by one who embraces marriages into eternity. As she waited for the next word that she would share from the Lord to life the marriage higher.

Our doctor clothed in love and strength encouraged us to accept every facet of our life. This brought forth strength and reassurance and helped me to validate my life on earth.

The forest and mountains make one aware of the greatness of God. I would challenge all ministers to stop and dare to find this secret treasure hidden away... the Lord's heart.

With great joy I can share....I have been restored, gently and lovingly and I am so ready to give as I have received. Thank you Marble Retreat!

## ANOTHER ALUMNI NOTE

Just a quick message to express our gratitude for the great blessing you both were to us. You gave us such good direction, compassion, and understanding. God has brought complete healing to us. I am back in the office full time and loving it like never before. Your suggestion to make a detailed

re-entry proposal (which I did while there) was met with such appreciation.

Again, many thanks for amazing blessing and ministry from our time with you and Eva and Henry. You are in our prayers for continued success.

This year we are including the 2008-2009 Annual Report in our newsletter. It allows all of our constituents to see the overall fiscal flow of the ministry, October 1, 2008 – September 30, 2009. We started the year off with *An Evening with Marble Retreat* on Oct. 8, 2008 which increased our number of local volunteers considerably. Pamela Wadsworth, our retired Director of Development, was our Volunteer of the Year. She was instrumental in procuring and organizing the successful silent auction during the event. We are grateful for the legacy of our co-founder Dr. Louis McBurney, which is exemplified by the large amount of gifts given in his memory. We are also grateful for the John Wolter Memorial Scholarship Fund which has helped married participants financially attend the retreat. One of our greatest needs continues to be scholarship funds.

Please let us know if you would like to help with the scholarship fund or know more about it.

We had 82 participants last fiscal year which is approximately 10% lower than our average over the last 7 years. We, of course, are hoping that attendance increases this fiscal year. Our best advertising is word of mouth and we appreciate all of you who have sent people our way. Thank you for your trust in us and the work the Lord does in our midst up here on the mountain. We have many prayer partners who cover this ministry in prayer and we are very grateful for their steadfast words to the Lord on our behalf and those we serve. We are thankful for your prayers, your financial support and your continued interest in the ministry of Marble Retreat.

## MELISSA MCBURNEY GOES TO GHANA

During part of February and March, Melissa was in Ghana, Africa, ministering with Women of the Harvest. She writes, “This trip was the resurrection of a dream. I love missionaries and ministering to them. I prayed to be used by God and He did! Of course, I received much more than I gave. I was one of the counselors. The experience was a huge blessing and an encouragement to all of us.” Melissa has been invited to be part of the team in the future and plans to go to India in October. If you would like to have a part in Melissa’s efforts please let her know by contacting her at: [mcmcbco@gmail.com](mailto:mcmcbco@gmail.com)
